Dear Angello,

There seems to be crises everywhere and many people are throwing their hands up in despair. But, you are among the many faithful supporters of Sunday Breakfast Mission that are determined to not despair, but act.

Because you care hundreds of men, women, boys and girls are receiving a nutritious hot meal to provide strength to meet tomorrow's tasks.

Because you care hundreds of men, women, and children are sleeping warm and comfortable at this Mission and not in cars, tents, streets and fields filled with danger.

Because you care dozens of men and women are receiving the Bible-based rehabilitation that will lead them to a life without drugs, alcohol, homelessness, and jail.

Because you care hundreds are finding hope.

Thank you,

Rev. Thomas J. Laymon
 President / CEO / Sr. Pastor
